

THE QUEST FOR JUBON 8

**Hi, I'm the *Jubon 8*.
I don't normally carry a bag
of money around with me,
but when you see that icon, it
means there is a hidden
treasure somewhere in town
just waiting to be found.**

If the sign on the welcome page says, "find the treasure", then the money bag icon shown above on the Jubon 8 has been hidden somewhere on the map. To find it, look at the information for each business. Once you find the bag of money, then you must go to that location in town and search the store for the icon you see above. You may ask the store for clues. If you find the Jubon 8, you will win the treasure. Good Luck!

If the sign on the welcome page says, "Treasure Found", then the Jubon 8 has been found and you will have to wait for the next treasure to be hidden, the date of which should appear on the sign located on the welcome page.
